ABOUT ME

I am a dedicated and enthusiastic software developer with a foundation in .NET technologies and hands-on experience in building scalable applications using Clean Architecture. Passionate about problem-solving, eager to learn new technologies, and committed to continuous personal and professional growth. Excited to contribute to innovative backend solutions and gain valuable real-world experience in the software development field.

SKILLS

Languages & Frameworks

- .NET
- React
- Next.js

Databases

- MySQL
- PostgreSQL
- MongoDB

Tools & Technologies

- Git and GitHub
- Swagger
- Clerk Auth
- Vercel

Other

- Microsoft Office (Word, Excel, PowerPoint)
- Communication
- Team Collaboration
- Problem-Solving

EDUCATION

Bachelor in Computer Application (BCA)

Tribhuvan University Dec 2024

LANGUAGE

Nepali ██████████

English ████████

Hindi ████████

EXPERIENCE

Truenary Solutions

22nd Nov 2023 - 7th March 2024

.NET INTERN

- Learned and applied key .NET concepts in real-world environments.
- Worked with technologies including:
 - .NET API, MVC, Entity Framework (EF), LINQ, CQRS, Middleware
 - Authentication & Authorization, Dependency Injection, Configuration & Settings
- Hands-on experience with repository and service layer patterns, migrations, and environment setup.

PROJECTS

Auto Booking System

BACKEND DEVELOPER – .NET API, POSTGRESQL

- Built backend features like login/register, role-based access (passenger/driver), booking history management, and pagination.
- Followed Clean Architecture and Domain-Driven Design principles.
- Applied dependency injection, service layer abstraction, and repository pattern

DeepSeek Clone

FULL STACK– NEXT.JS, REACT, CLERK, MONGODB , DEEPSEEK API

- Built a fully functional AI chat app inspired by DeepSeek, with chat memory, role-based chat handling, and session management.
- Integrated user authentication and data persistence using Clerk and MongoDB.
- Used context API and API routing with robust UI components.

Portfolio Website

TECH STACK– REACT, TAILWIND CSS, VITE

- Created a personal portfolio showcasing projects and skills.
- Designed for responsiveness and clean UI.
- Live at: pujaknegi.com.np
